Art Through Time: A Global View—Credits

For THIRTEEN

THIRTEEN, a member of the WNET.ORG family of companies, is America's most-watched public television station and a major producer of public media for national and international audiences. Through such acclaimed series as *American Masters*, *Nature*, *Great Performances*, *Charlie Rose*, *Wide Angle*, *NOW on PBS*, *Bill Moyers Journal*, and *Cyberchase*—as well as unique local programming, Web content and educational outreach—THIRTEEN's mission is to serve New York City, America and the world with media experiences that inform, enlighten and inspire.

Other projects THIRTEEN has produced for Annenberg Media include: *Teaching Multicultural Literature: A Workshop for the Middle Grades*; *The Expanding Canon: Teaching Multicultural Literature in High School*; *Science, Simply Amazing*; *Learning Science Through Inquiry*; and, *Insights Into Algebra I*.
