

Telecourses/e-Learning

Did you know?

We bring over 25 years of educational experience creating high quality video for classroom, individual, and on-line use.

Each of our courses completes a diligent review process with a highly qualified academic board of advisors.

We have over 40 Telecourses/e-Learning courses with over 500 individual programs available.

Our subject topics include: art, education, foreign language, mathematics, science, english, literature, cinema, and social studies.

Why Annenberg Media is unique:

- ▶ FREE On-line VOD (Video On Demand) available 24/7
- ▶ On-line texts
- ▶ Coordinated Web sites for many courses with special features such as interactives, time lines, transcripts, and faculty/student downloadable guides
- ▶ On-line MARC Records

New Series:

Ethics in America II

Habitable Planet: Environmental Science
