Use your browser to go to the National Gallery of Art site (<http://www.nga.gov>). Click on “Online Tours” and select a tour to visit.

After finishing your tour, write two journal entries. Choose any combination of the following:

- Describe some paintings.
- Tell the story of a painting.
- Relate a piece of art to you in any way.
- Explain the common factors that unite all the paintings or art work in a certain tour.
- If you could have one of these paintings in your home, which one would it be? Talk about the reasons you made this selection.
- Write about the image you see and the ideas it suggests.
