

Word Study Concept Chart K-2

Instructions:

Complete this chart by listing:

1. What you know about each of the three areas.
2. What you do to teach the specific skills or strategies in each area.
3. Questions you have about effectively teaching and/or assessing these areas of word study.

Use this chart as you move through the workshop to add any new information, instructional practices, and/or questions.

	What You Know	What You Do	Challenges/Questions
