

Photography Sheet

Title -- What is the title of the picture? If there isn't a title, choose one.

Composition -- What is in the picture? Describe in detail the subject, the colors, the images, and the angle (where the photographer was standing when she or he took the picture).

Framing -- What did the photographer want your eyes to focus on when you look at the picture?

Posed or candid -- Are the people in the picture posing (posed shot), or are they seemingly unaware that their picture is being taken (candid)?

Message -- What do you think the photographer is trying to say with this picture?
