

Think of social studies units that you teach by connecting to the world beyond the classroom. Then list activities that help students make connections.

Social Studies Unit	Connecting Activities

When you have completed your concept chart, consider the following questions:

- What are the benefits and challenges of making real-world connections in social studies?
- How can making real-world connections promote understanding and long-term retention of social studies concepts?
- What strategies from the video would you add to your practices?
