

Classroom Strategy Planner

Your Name: <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> Date: _____
Video Title and Teacher: _____

	<p>Which strategy (or strategies) from the video would you like to try out in your own classroom? <i>(Some examples: a way of conducting a particular Literacy Teaching Practice; a job chart; a learning center activity; an approach to assessment; a method for determining guided-reading groups.)</i></p>
	<p>What will you need to implement this strategy? <i>(Some examples: a list of sight words; particular types of books (enlarged books, leveled readers); a published article about a particular instructional method; materials for assessment.)</i></p>
	<p>How will you know when this instructional method has been successful in your classroom? <i>(Some examples: looking at student work; formally assessing student progress.)</i></p>

Instructions:

Make a copy of this page for each of the classroom videos you watch and consider which teaching strategies you'd like to try out in your own classroom. Use the spaces provided to take notes where appropriate.
