

As you watch, list the NCSS themes and related disciplines each teacher is building on in her lesson. Then list the concepts and processes being taught.

	Lesson	Theme	Discipline	Concepts/Processes
Video 1: Ms. Gonzalez	Making Bread Together: Meylin Gonzalez's class creates an assembly line and studies needs and wants.			
Video 2: Ms. Mesmer	Celebrations of Light: Eileen Mesmer's class studies the common thread in holiday celebrations among different cultures.			

After you've completed the chart, write your answers to the following questions:

1. How do the two lessons differ in terms of teaching strategies?
2. How many disciplines does each lesson cover? What would you add?
3. What factors determine whether a lesson plan is based on a single discipline or multiple disciplines?
4. What are the advantages of an integrated lesson plan?
