### Letter and Early Memory To Include in Multigenre Autobiography

Dear: 8 grade teacher

My name is Josue I was born in the country name EL SALVADOR

The country is not big as the U.S.A. the life style is different compeer to here. I got use to this country very easy. The food is different in here but here they have some of the food that I use to eat in my country. In this country there are some people who speak Spanish. I come to the school CLEVELAND MIDDLE SCHOOL I know some English well that's because I have being here 2years. My all come from the same country But there are just a few that speak English my two brothers and my dad he speak a little My plans for my life are a little big I want to finish high school then I want to go to college then I will to another continent to Europe work there then marry at 26 years Have 3 children's with my wife those are my plans and my life.

Sincerely,

JOSUE

#### EARLY MEMORY

My early is when I was 4 years old I knew that I have a cousin I knew that I have a uncle and aunt but what I think was that I have only one aunt and uncle then I knew That I have 12 aunts and uncles but some were death and the most were alive Those are my earliest memories.
