Draft 1 March on Washington

Wider → Did you ever hear about the March
on Washington? Well, it all began in
1962. If you keep on reading
you will find out what happened
~~then~~ ^{when} ~~text~~ ^{was} ~~where~~ the "I Have a
Dream" speech by Martin Luther King
Jr. It was ~~said~~ ^{said} right there in
Washington.

The march on Washington was
planned ^{one} year ahead of time.

In 1962 Randolph ^{who? Usell man. who's he?} began to talk
to Bayard Rustin about making a

big scene in Washington. They wanted
the Congress to pass civil rights ^{for}
^{all people.} Randolph finally ^{decided} to
have the march. There was only
two months ^{left} to make the ^{fliers}
and to get ready for the
march. They wanted to make a
good effect. It took a lot of
money and [?] to plan it.

on the day of the march
over 200,000 people came.

President Kennedy tried to
persuade the leaders to stop
the march.

But they went on. A lot of speakers ^{were there, but} the most important speaker was Martin Luther King Jr. During the march ^{Dr. King} ~~Martin~~ spoke about how much ^{who?} ~~they~~ ^{needed} need freedom and peace. They wanted ^{Congress} ~~them~~ to change the law. They got ^{their} ~~there~~ wish: blacks can achieve anything.

The march changed everyone's ^{life} ~~life~~. On July 2, 1964, the Civil Rights Act of 1964 was passed by Congress. Now blacks and whites can drink at the same ^{water} ~~water~~ fountains.

we get to go to the same
schools, ^{as who?} There's less murder just
because ^{people are of} ~~you are~~ different colors. The
march went down in history
because ^{of} Martin Luther King Jr's speech
and how many people came and
participated. | The march played a
very important role in everyone's
life. As you just read it was
very hard trying to make a
^{demonstration} ~~with~~ ^{with} a couple of people.
Many ~~lot~~ of people ^{need to} ~~to~~ ^{and} participate.
I think if we never had

the march ^{we would never be,} as Martin Luther King
It ^{said} ~~sayed~~, "Free at last free at
last."
